

"Partners for a Safe & Healthy Community"

Cops and Rockers FUNDRAISER for the Brockville SKATEPARK

There were two fundraising dances by Much Music, Brockville Police and the Safe Communities of Brockville, Leeds and Grenville as partners, sponsored by Scotia Banks - Brockville.

Over 1100 students, in grades 6-9 from Brockville and Elizabethtown and Augusta area attended, raising over \$41,000 towards the \$255,000 budget for the new Brockville CIVITAN SkatePark which is projected to be constructed in 2007. City council had contributed \$120,000 and citizens and community businesses have donated \$98,000 to exceed the target. We are now awaiting the final actual construction costs of the project. The youth are very excited and are aware that their demonstration of participating and raising funds, fueled the generous support from City council and the community, a win-win for everyone.
